EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2017 together with the declaration of the directors, the directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.degreymining.com.au.

2. RESOLUTION 1 - ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (Spill Resolution) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (Spill Meeting) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

3. RESOLUTION 2 - RE-ELECTION OF DIRECTOR - SIMON LILL

3.1 General

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Simon Lill, who has served as a director since 2 October 2013 and was last re-elected at the Company’s 2014 Annual General Meeting, retires by rotation and seeks re-election.

3.2 Qualifications and other material directorships

Mr Lill joined De Grey Mining Limited in October 2013 and has a BSc and a Masters of Business Administration, both from The University of Western Australia. He has over 25 years experience in stockbroking, capital raising, management, business development and analysis for a range of
small and start-up companies, both in the manufacturing and resources industries. In recent times he has specialised in company restructuring activities.

During the past three years Mr Lill has also served as a Director of the following listed companies:

(a) Majority Capital Limited (18 May 2011 to present)
(b) Water Resources Group Limited (2 September 2013 to present); and
(c) Mako Hydrocarbons Limited (28 August 2015 to 30 August 2015).

3.3 Independence

If elected the board does not consider Mr Lill will be an independent director as he will from time to time be undertaking executive duties.

3.4 Board recommendation

The Board supports the re-election of Simon Lill and recommends that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – PLACEMENT OF SHARES AND OPTIONS

4.1 General

As announced by the Company on 2 October 2017, the Company proposes to, subject to Shareholder approval, undertake a placement to Kirkland Lake Gold Ltd (an entity incorporated in Canada) (Kirkland Lake) of up to 33,333,333 Shares at an issue price of $0.15 per Share, together with 1 free attaching Option (exercisable at $0.20 on or before 30 November 2019) (Attaching Option) for every Share subscribed for and issued, to raise up to $5,000,000 (Placement).

Kirkland Lake is a Canadian listed mid-tier gold producer with a market capitalization of US$2.7 Billion and forecast production for 2017 of 570,000 – 590,000 oz’s of gold. They have interests in Australia through the high grade, low cost Fosterville mine in Victoria and have recently invested $58M in De Grey’s Pilbara counterpart, Novo Resources Corp.

The Placement is subject to Shareholder approval and Kirkland Lake’s relevant interest in the Shares of the Company remaining below 19.9% (on a post-Placement basis).

Post Placement and subject to ASX granting the Company a waiver from ASX Listing Rule 6.18, an anti-dilution mechanism will exist allowing Kirkland Lake to maintain its equity position in the Company by subscribing for securities on the same terms as participants in any future capital raisings (at its discretion).

4.2 ASX Listing Rule 7.1

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

The effect of Resolution 3 will be to allow the Company to issue the Shares and Attaching Options pursuant to the Placement during the period of 3 months after the Meeting (or a longer period, if allowed by ASX), without using the Company’s 15% annual placement capacity.

4.3 Technical information required by ASX Listing Rule 7.1

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to Resolution 3:

(a) the maximum number of Shares to be issued is 33,333,333 and the maximum number of Attaching Options to be issued is 33,333,333, subject to Kirkland Lake’s relevant interest in the Shares of the Company remaining below 19.9% (on a post-Placement basis);

(b) the Shares and Attaching Options will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that issue of the Shares and Attaching Options will occur on the same date;

(c) the issue price will be $0.15 per Share and nil per Attaching Option as the Attaching Options will be issued free attaching with the Shares on a 1:1 basis;

(d) the Shares and attaching Options will be issued to Kirkland Lake (or its nominee), who is not a related party of the Company;
the Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company’s existing Shares;

the Attaching Options will be issued on the terms and conditions set out in Schedule 1; and

the Company intends to use the funds raised from the Placement towards ongoing exploration and development activities at the Pilbara Gold Project.

5. **RESOLUTION 4 - RATIFICATION OF PRIOR ISSUE - SHARES**

5.1 **General**

On 3 October 2017 the Company announced it had entered into an option agreement to acquire 80% of six granted tenements (E47/3399, E47/3428-3430, P47/1732-1733) (Tenements), located within 20km of the proposed plant at the company’s Pilbara Gold Project, near Port Hedland, Western Australia (Acquisition).

On 2 October 2017, the Company issued 150,000 Shares to the vendor of the Tenements as part consideration for the Acquisition.

Resolution 4 seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of those Shares (Ratification).

5.2 **ASX Listing Rules 7.1 and 7.4**

A summary of ASX Listing Rule 7.1 is set out in section 4.2 above.

ASX Listing Rule 7.4 sets out an exception to ASX Listing Rule 7.1. It provides that where a company in general meeting ratifies the previous issue of securities made pursuant to ASX Listing Rule 7.1 (and provided that then previous issue did not breach ASX Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of ASX Listing Rule 7.1.

By ratifying this issue, the Company will retain the flexibility to issue equity securities in the future up to the 15% annual placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

5.3 **Technical information required by ASX Listing Rule 7.4**

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to Resolution 4:

(a) 150,000 Shares were issued;

(b) the Shares were issued for nil cash consideration as part consideration for the Acquisition (at a deemed issue price of $0.15 per Share);

(c) the Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company’s existing Shares;

(d) the Shares were issued to Mr. Matthew Vanmaris who is not a related party of the Company;

(e) no funds were raised from this issue as the issue was made for nil cash consideration.

6. **RESOLUTION 5 - APPROVAL OF 10% PLACEMENT CAPACITY**

6.1 **General**

ASX Listing Rule 7.1A provides that an Eligible Entity (as defined below) may seek shareholder approval by special resolution passed at an annual general meeting to have the capacity to issue up to that number of Equity Securities (as defined below) equal to 10% of its issued capital (10% Placement Capacity) without using that company’s existing 15% annual placement capacity granted under ASX Listing Rule 7.1.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

(a) is not included in the S&P/ASX 300 Index; and

(b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of $300 million.

As at the date of this Notice, the Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of $57.5 million (based on the
number of Shares on issue and the closing price of Shares on the ASX on 20 October 2017).

An Equity Security is a share, a unit in a trust, a right to a share or unit in a trust or option, an option over an issued or unissued security, a convertible security, or, any security that ASX decides to classify as an equity security.

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing class of quoted Equity Securities.

As at the date of this Notice, the Company currently has 2 classes of quoted Equity Securities on issue, being the Shares (ASX Code: DEG) and Options (ASX Code: DEGO).

If Shareholders approve Resolution 5, the number of Equity Securities the Company may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2.

Resolution 5 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 7 for it to be passed.

6.2 Technical information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 5:

(a) Minimum Price
The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

(i) the date on which the price at which the Equity Securities are to be issued is agreed; or

(ii) if the Equity Securities are not issued within 5 ASX trading days of the date in section 6.2(a)(i), the date on which the Equity Securities are issued.

(b) Date of Issue
The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

(i) 12 months after the date of this Meeting; and

(ii) the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company’s activities) or 11.2 (disposal of the Company’s main undertaking) (after which date, an approval under Listing Rule 7.1A ceases to be valid), (10% Placement Capacity Period).

(c) Risk of voting dilution
Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 5 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the market price of Shares and the number of Equity Securities on issue as at 6 October 2017.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 307,137,400 Shares on issue comprising:
   (a) 273,804,067 existing Shares as at the date of this Notice of Meeting; and
   (b) 33,333,333 Shares which will be issued if Resolution 3 is passed at this Meeting.
2. The issue price set out above is the closing price of the Shares on the ASX on 20 October 2017.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
5. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

(i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
(ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(d) **Purpose of Issue under 10% Placement Capacity**

The Company may issue Equity Securities under the 10% Placement Capacity for the following purposes:

(i) as cash consideration, in which case the Company may use the funds raised towards making (or to securing the right to make) one or more acquisitions and/or to further its existing projects; and/or general working capital; so that the Company has the necessary working capital and flexibility to consider, and if thought fit, to progress exploration and development activities on its Pilbara mineral tenements, including those under option agreements, or

(ii) non-cash consideration to further its existing projects. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

(e) **Allocation policy under the 10% Placement Capacity**

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist...
of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

(i) the purpose of the issue;
(ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
(iii) the effect of the issue of the Equity Securities on the control of the Company;
(iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
(v) prevailing market conditions; and
(vi) advice from corporate, financial and broking advisers (if applicable).

(f) Previous approval under ASX Listing Rule 7.1A

The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its annual general meeting held on 30 November 2016 (Previous Approval). The Company has issued 38,718,780 Shares pursuant to the Previous Approval.

During the 12 month period preceding the date of the Meeting, being on and from 30 November 2016, the Company also issued a further 68,919,047 Shares and 38,221,103 Options which represents approximately 55.74% of the total diluted number of Equity Securities on issue in the Company on 30 November 2016, which was 192,225,400.

Further details of the issues of Equity Securities by the Company during the 12 month period preceding the date of the Meeting are set out in Schedule 2.

(g) Compliance with ASX Listing Rules 7.1A.4 and 3.10.5A

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it must give to ASX:

(i) a list of the recipients of the Equity Securities and the number of Equity Securities issued to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
(ii) the information required by Listing Rule 3.10.5A for release to the market.

6.3 Voting Exclusion

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 5.

7. RESOLUTION 6 - ADOPTION OF PERFORMANCE RIGHTS PLAN

Resolution 6 seeks Shareholders approval for the adoption of the employee incentive scheme titled “Incentive Performance Rights Plan” (Performance Rights Plan) in accordance with ASX Listing Rule 7.2 (Exception 9(b)).

A summary of ASX Listing Rule 7.1 is set out in section 4.2 above.

If Resolution 6 is passed, the Company will be able to issue performance rights under the Plan to eligible participants over a period of 3 years without impacting on the Company’s ability to issue up to 15% of its total ordinary securities without Shareholder approval in any 12 month period.

Shareholders should note that no performance rights have previously been issued under the Performance Rights Plan. However, pursuant to Resolutions 7 to 10, the Company is seeking Shareholder approval to issue Related Party Performance Rights to related parties of the Company.

The objective of the Performance Rights Plan is to attract, motivate and retain key employees and it is considered by the Company that the adoption of the Performance Rights Plan and the future issue of performance rights under the Performance Rights Plan will provide selected employees with the opportunity to participate in the future growth of the Company.
Any future issues of performance rights under the Performance Rights Plan to a related party or a person whose relationship with the company or the related party is, in ASX’s opinion, such that approval should be obtained will require additional Shareholder approval under ASX Listing Rule 10.14 at the relevant time.

A summary of the key terms and conditions of the Performance Rights Plan is set out in Schedule 3. In addition, a copy of the Performance Rights Plan is available for review by Shareholders at the registered office of the Company until the date of the Meeting. A copy of the Performance Rights Plan can also be sent to Shareholders upon request to the Company Secretary.

Shareholders are invited to contact the Company if they have any queries or concerns.

No disclosure document is required to be issued to the recipients of the Related Party Performance Rights as the offer is exempt under section 708(12) of the Corporations Act.
8.2 Chapter 2E of the Corporations Act and ASX Listing Rule 10.14

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

(a) obtain the approval of the public company’s members in the manner set out in sections 217 to 227 of the Corporations Act; and
(b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in Sections 210 to 216 of the Corporations Act.

The issue of the Related Party Performance Rights requires the Company to obtain Shareholder approval because this constitutes giving a financial benefit and Messrs Lill, Morris, Lambert and Beckwith (together, the Related Parties) are related parties of the Company by virtue of being Directors.

In addition, ASX Listing Rule 10.14 also requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities under an employee incentive scheme to a director of the entity, an associate of the director, or a person whose relationship with the entity, director or associate of the director is, in ASX’s opinion, such that approval should be obtained.

It is the view of the Company that the exceptions set out in sections 210 to 216 of the Corporations Act and ASX Listing Rule 10.15B do not apply in the current circumstances. Accordingly, Shareholder approval is sought for the grant of the Incentive Securities to the Related Parties.

8.3 Technical information required by Chapter 2E of the Corporations Act and ASX Listing Rule 10.14

Pursuant to and in accordance with the requirements of section 219 of the Corporations Act and ASX Listing Rule 10.15, the following information is provided in relation to the proposed grant of the Related Party Performance Rights:

(d) the Related Party Performance Rights will be granted to the Related Parties no later than 12 months after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the ASX Listing Rules) and it is anticipated the Related Party Performance Rights will be issued on one date;
(e) the Related Party Performance Rights will be granted for nil cash consideration and no consideration will be payable upon the vesting of the Related Party Performance Rights on the achievement of the specified performance criteria. Accordingly, no loans will be made in relation to, and no funds will be raised from the issue or the vesting of the Related Party Performance Rights;
(f) no securities have previously been issued under the Performance Rights Plan nor has the Performance Rights Plan previously been adopted by Shareholders;

(m) the primary purpose of the grant of Related Party Performance Rights to the Related Parties is to provide a performance linked incentive component in the remuneration package to motivate and reward the performance of achieving specified vesting conditions within a specified period. The Board considers this issue to be a cost effective remuneration practice and reasonable given the vesting conditions will align the interests of Related Parties with those of Shareholders. The Board does not consider that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Related Party Performance Rights upon the terms proposed.

8.4 Directors’ Recommendation

As all Directors have an interest in the Resolutions, no directors are able to give a recommendation.

The Board is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolutions 7-10.

Approval pursuant to ASX Listing Rule 7.1 is not required in order to issue the Related Party Performance Rights as approval is being obtained under ASX Listing Rule 10.14. Accordingly, the issue of Related Party Performance Rights will not be included in the 15% calculation of the Company’s annual placement capacity pursuant to ASX Listing Rule 7.1.
9. RESOLUTIONS 11 AND 12 – ELECTION OF DIRECTORS – ANDY BECKWITH AND BRETT LAMBERT

9.1 General

**Notes:**

1. Market Price means the closing price on ASX (excluding special crossings, overnight sales and exchange traded option exercises). For the purposes of this table the discount is calculated on the Market Price on the last trading day on which a sale was recorded prior to the date of issue of the relevant Equity Securities.
2. Fully paid ordinary shares in the capital of the Company, ASX Code: DEG (terms are set out in the Constitution).
3. Quoted Options, exercisable at $0.10 each, on or before 30 November 2018, ASX Code: DEGO.
4. Unquoted Options, exercisable at $0.10 each, on or before 30 November 2018. The full terms and conditions were disclosed in the notice of annual general meeting held on 30 November 2016.
5. Unquoted Options, exercisable at $0.10 each, on or before 31 October 2020.
6. Unquoted Options, exercisable at $0.058 each, on or before 6 September 2017. The full terms and conditions were disclosed in the notice of annual general meeting held on 30 November 2016.
7. This is a statement of current intentions as at the date of this Notice. As with any budget, intervening events and new circumstances have the potential to affect the manner in which the funds are ultimately applied. The Board reserves the right to alter the way the funds are applied on this basis.
8. In respect of quoted Equity Securities the value is based on the closing price of the Shares ($0.21) or Options ($0.135) as the context requires on the ASX on 20 October 2017. In respect of unquoted Equity Securities the value of Options is measured using the Black & Scholes option pricing model. Measurement inputs include the Share price on the measurement date, the exercise price, the term of the Option, the impact of dilution, the expected volatility of the underlying Share (based on weighted average historic volatility adjusted for changes expected due to publicly available information), the expected dividend yield and the risk free interest rate for the term of the Option. No account is taken of any performance conditions included in the terms of the Option other than market based performance conditions (i.e. conditions linked to the price of Shares).
The following is a summary of the key terms and conditions of the Performance Rights Plan to be adopted by Shareholders under Resolution 6:

(a) **Eligibility:** Participants in the Performance Rights Plan may be:
   (i) a Director (whether executive or non-executive) of the Company or any associate Group Company;
   (ii) a full or part time employee of any Group Company;
   (iii) a casual employee or contractor of a Group Company to the extent permitted by ASIC Class Order 14/1000 as amended or replaced (Class Order); or
   (iv) a prospective participant, being a person to whom the offer is made but who can only accept the offer if an arrangement has been entered into that will result in the person becoming a participant under subparagraphs (i), (ii), or (iii) above, who is declared by the Board to be eligible to receive grants of Performance Rights under the Performance Rights Plan (Eligible Participants).

(b) **Offers:** The Board may, from time to time, at its absolute discretion, make an offer to grant Performance Rights to an Eligible Participant under the Performance Rights Plan and on such additional terms and conditions as the Board determines (Offer).

(c) **Plan limit:** Where the Company has relied or intends relying on the Class Order to make an Offer, the Company must have reasonable grounds to believe, when making an offer, that the number of Shares to be received on conversion of Performance Rights offered under an offer, when aggregated with the number of Shares issued or that may be issued as a result of offers made in reliance on the Class Order at any time during the previous 3 year period under an employee incentive scheme covered by the Class Order or an ASIC exempt arrangement of a similar kind to an employee incentive scheme, will not exceed 5% of the total number of Shares on issue at the date of the Offer.

(d) **Consideration:** Performance Rights granted under the Plan will be issued for nil cash consideration.

(e) **Performance Rights:** Each Performance Right, once vested, entitles the holder, on exercise, to the issue of one fully paid ordinary share in the capital of the Company (Share).

(f) **Not transferrable:** Performance Rights are only transferrable with the prior written consent of the Board of the Company or by force of law upon death to the participant’s legal personal representative or upon bankruptcy to the participant’s trustee in bankruptcy.

(g) **Vesting Conditions:** The Board will determine the vesting conditions (if any) that must be satisfied before a Performance Right vests, and the date by which a vesting condition must be satisfied (Vesting Condition).

(h) **Vesting:** A Performance Right will vest where Vesting Conditions are satisfied or where, despite Vesting Conditions not being satisfied, the Board (in its absolute discretion) resolves that unvested Performance Rights have vested as a result of:
   (i) the participant ceasing to be an Eligible Participant due to certain special circumstances (eg due to death, severe financial hardship, total and permanent disability, retirement or redundancy) as set out in the Plan; or
   (ii) the Company undergoing a change of control; or
   (iii) the Company being wound up.

(i) **Shares:** Shares resulting from the vesting of the Performance Rights shall, from the date of issue, rank on equal terms with all other Shares on issue.

(j) **Sale Restrictions:** The Board may, in its discretion, determine at any time up until exercise of Performance Rights, that a restriction period will apply to some or all of the Shares issued to an Eligible Participant (or their eligible nominee) on exercise of those Performance Rights (Restriction Period).

(k) **Quotation of Shares:** If Shares of the same class as those issued under the Plan are quoted on the ASX, the Company will, subject to the ASX Listing Rules, apply to the ASX for those Shares to be quoted on ASX within 10 business days of the later of the date the Shares are issued and the date any Restriction Period applying to the Shares ends.
Lapse of a Performance Right: Subject to the terms of an Offer otherwise providing, a Performance Right will lapse upon the earlier to occur of:

(i) an unauthorised dealing in, or hedging of, the Performance Right;

(ii) a Vesting Condition in relation to the Performance Right not being satisfied by the due date, or becoming incapable of satisfaction, as determined by the Board in its absolute discretion;

(iii) in respect of an unvested Performance Right, a participant (or, where the participant is a nominee of the Eligible Participant, that Eligible Participant) (Relevant Person) ceases to be an Eligible Participant, unless the Board exercises its discretion to vest the Performance Right under a good leaver exception;

(iv) in respect of a vested Performance Right, a Relevant Person ceases to be an Eligible Participant and the Performance Right granted in respect of that Relevant Person is not exercised within one (1) month (or such later date as the Board determines) of the date the Relevant Person ceases to be an Eligible Participant;

(v) the Board deems that a Performance Right lapses due to fraud, dishonesty or other improper behaviour of the holder/Eligible Participant;

(vi) the Company undergoes a change in control or winding up, and the Performance Right has not otherwise vested in accordance with paragraph (h); and

(vii) the expiry date of the Performance Right.

No Participation Rights: There are no participating rights or entitlements inherent in the Performance Rights and participants will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Performance Rights without exercising the Performance Right.

No Change: A Performance Right does not confer the right to a change in the number of underlying Shares over which the Performance Right can be exercised.

Reorganisation: If, at any time, the issued capital of the Company is reorganised (including consolidation, subdivision, reduction or return), all rights of a holder of a Performance Right are to be changed in a manner consistent with the Corporations Act and the ASX Listing Rules at the time of the reorganisation.

Inconsistency with Offer: Notwithstanding any other provision in the Plan, to the extent that any covenant or provision contained in an Offer document is inconsistent with any covenant or provision under the Plan, the deemed covenant or provision under the Offer document shall prevail.

(k) **(Dividend and Voting Rights):** A Performance Right does not confer upon the holder an entitlement to notice of, or to vote or attend at, a meeting of the Shareholders of the Company or receive dividends declared by the Company.
