## EXPLANATORY STATEMENT

---

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

---

### 1. BACKGROUND TO RESOLUTIONS 1 TO 3

As announced on 28 April 2020, the Company received firm commitments for a placement of approximately 111.4 million Shares, at an issue price of \$0.28 per Share, to raise \$31.2 million (**Placement**).

Under the Placement, the Company issued 92,196,430 Shares to sophisticated and professional investors on 4 May 2020 (the subject of Resolution 1).

In addition subject to Shareholders approving Resolutions 1 and 3, the Company will issue as part of the Placement, a further:

- (a) 18,232,142 Shares to DGO Gold Limited (a substantial (10%+) holder, who has nominated two Directors to the Board); and
- (b) 1,000,000 Shares to Mr Peter Hood, a Director of the Company.

Bell Potter Securities Limited and Argonaut Securities Pty Ltd (together, the **Joint Lead Managers**) acted as joint lead managers to the Placement.

Funds raised under the placement will be used to continue exploration activities across the Company's Mallina Gold Project, with a priority of work associated with determining the scale of the Hemi deposit, regional exploration drilling within the Scooby to Antwerp Trend, which includes the Hemi deposit, as well as for ongoing administration and corporate costs.

Please refer to the Company's announcement on 28 April 2020 for further details with respect to the Placement, specifically the commitment at that time of DGO Gold Limited and Mr Peter Hood to their proposed participation in the placement, subject to shareholder approval.

---

### 2. RESOLUTION 1 – RATIFICATION OF PRIOR ISSUE OF SHARES

#### 2.1 General

On 4 May 2020 (**Issue Date**), the Company issued 92,196,430 Shares under the Placement (**Issue**). The Issue was made under the Company's existing placement capacity pursuant to Listing Rule 7.1.

#### 2.2 Listing Rule 7.1 and 7.4

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The Issue does not fit within any of these exceptions and, as it has not yet been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue.

Listing Rule 7.4 allows the Shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

Accordingly, Resolution 1 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the Issue.

### **2.3 Technical Information required by Listing Rule 14.1A**

If Resolution 1 is not passed, the Shares issued will be included in calculating the Company's 15% placement capacity under Listing Rule 7.1, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Shares.

If Resolution 1 is passed, the Company will retain the flexibility to issue equity securities in the future up to the 15% annual placement capacity set out in Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

### **2.4 Listing Rule 7.5**

The following information is provided to Shareholders for the purposes of obtaining Shareholder approval of the share Issue, the subject of Resolution 1 in accordance with Listing Rule 7.5:

- (a) 92,196,430 Shares were issued to professional and sophisticated investors participating in the Placement, who mainly are clients of the Joint Lead Managers. The recipients were identified through a bookbuild process, which involved the Joint Lead Managers seeking expressions of interest to participate in the capital raising from non-related parties of the Company. None of the recipients are related parties of the Company;
- (b) the Shares were issued on 4 May 2020 at an issue price of \$0.28 per Share. The Company has not and will not receive any other consideration for the issue of the Shares;
- (c) the Shares are fully paid ordinary shares in the capital of the Company, ranking equally in all respects with the Company's existing Shares on issue;
- (d) the issue was made in order to fund exploration activities across the Company's Mallina Gold Project, with a priority of work associated with determining the scale of the Hemi deposit, regional exploration drilling within the Scooby to Antwerp Trend, which includes the Hemi deposit, as well as for ongoing administration and corporate costs;
- (e) the Shares were not issued under an agreement; and
- (f) a voting exclusion statement is included in Resolution 1 of the Notice.

The Board recommends that Shareholders vote in favour of Resolution 1.

None of the Directors have a material personal interest in the subject matter of Resolution 1. The Board believes that the ratification of the Issue, the subject of Resolution 1, is beneficial for the Company. The Board recommends Shareholders vote in favour of Resolution 1 as it provides the Company with the flexibility to issue further securities representing up to 15% of the Company's share capital under Listing Rule 7.1 during the next 12-months without shareholder approval.

---

### **3. RESOLUTION 2 - APPROVAL TO ISSUE SHARES TO DGO GOLD LIMITED**

#### **3.1 General**

Resolution 2 seeks Shareholder approval for the issue of 18,232,142 Shares (**DGO Shares**) to DGO Gold Limited (**DGO**) (or its nominee) as part of the Placement.

DGO currently has a relevant interest in 14.98% of the voting shares in the Company.

Two of the Company's Directors, Mr Eduard Eshuys and Mr Bruce Parncutt, are also Directors of DGO.

DGO provided their commitment to invest \$5.1 million in the Placement at the same time as all other participants, as announced to the ASX on 28 April 2020.

DGO have been ongoing supporters of the Company, participating in every capital raising by the Company since their initial investment of \$5 million on 10 July 2018. DGO are not a related party for the purposes of Chapter 2E of the Corporations Act.

#### **3.2 Listing Rule 10.11.3**

Listing Rule 10.11.3 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so unless it obtains the approval of its shareholders.

The issue of the DGO Shares falls within Listing Rule 10.11.3 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

#### **3.3 Technical Information required by Listing Rule 14.1A**

If Resolution 2 is passed, the Company will be able to issue the DGO Shares during the period of 1 month after the Meeting (or a longer period, if allowed by ASX), without using the Company's 15% annual placement capacity.

If Resolution 2 is not passed, the Company will not be able to proceed with the issue of the DGO Shares and will not receive the subscription amount of approximately \$5.1 million.

#### **3.4 Technical Information required by Listing Rule 10.13**

Pursuant to and in accordance with Listing Rule 10.13, the following information is provided in relation to Resolution 2:

- (a) the Shares will be issued to DGO (or its nominee), who fall within the category set out in Listing Rule 10.11.3 as noted above;
- (b) the number of Shares to be issued is 18,232,142;
- (c) the Shares will be issued no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that issue of the Shares will occur on the same date;
- (d) the issue price will be \$0.28 per Share. The Company will not receive any other consideration for the issue of the Shares;
- (e) the Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as Shares currently on issue;
- (f) the funds raised will be used for the same purpose as all other funds raised under the Placement being to fund exploration activities across the Company's Mallina Gold Project, with a priority of work associated with determining the scale of the Hemi deposit, regional exploration drilling within the Scooby to Antwerp Trend, which includes the Hemi deposit, as well as for ongoing administration and corporate costs;
- (g) the Shares are not being issued under an agreement; and
- (h) a voting exclusion statement is included in Resolution 2 of the Notice.

Approval pursuant to Listing Rule 7.1 is not required for the grant of the DGO Shares as approval is being obtained under Listing Rule 10.11. Accordingly, the grant of DGO Shares to DGO (or its nominee) will not be included in the use of the Company's 15% annual placement capacity pursuant to Listing Rule 7.1.

## **4. RESOLUTION 3 – ISSUE OF SHARES TO RELATED PARTY – PETER HOOD AO**

### **4.1 General**

Director Peter Hood wishes to participate in the Placement on the same terms as unrelated participants in the Placement (**Participation**).

Mr. Hood provided his commitment to the Placement at the same time as all other participants, as announced to the ASX on 28 April 2020.

Accordingly, Resolution 3 seeks Shareholder approval for the issue of 1,000,000 Shares to Peter Hood (or his nominee), as a result of the Participation on the terms set out below.

### **4.2 Chapter 2E of the Corporations Act**

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The Participation will result in the issue of Shares which constitutes giving a financial benefit and Peter Hood is a related party of the Company by virtue of being a Director.

The Directors (other than Peter Hood who has a material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the Participation because the Shares will be issued to Peter Hood (or his nominee) on the same terms as Shares issued to non-related party participants in the Placement and as such the giving of the financial benefit is on arm's length terms.

#### **4.3 Listing Rule 10.11.1**

Listing Rule 10.11.1 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to a related party unless it obtains the approval of its shareholders.

The issue of the Participation falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

#### **4.4 Technical information required by Listing Rule 14.1A**

If Resolution 3 is passed, the Company will be able to proceed with the issue of the Shares under the Participation within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules) and will raise additional funds which will be used in the manner set out in Section 4.5(f) below. As approval pursuant to Listing Rule 7.1 is not required for the issue of the Shares in respect of the Participation (because approval is being obtained under Listing Rule 10.11), the issue of the Shares will not use up any of the Company's 15% annual placement capacity.

If Resolution 3 is not passed, the Company will not be able to proceed with the issue of the Shares under the Participation and no further funds will be raised in respect of the Placement.

#### **4.5 Technical Information required by Listing Rule 10.13**

Pursuant to and in accordance with Listing Rule 10.13, the following information is provided in relation to Resolution 3:

- (a) the Shares will be issued to Peter Hood (or his nominee), who falls within the category set out in Listing Rule 10.11.1, as Peter Hood is a related party of the Company by virtue of being a Director;
- (b) the maximum number of Shares to be issued to Peter Hood (or his nominee) is 1,000,000;
- (c) the Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (d) the Shares will be issued no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is anticipated the Shares will be issued on the same date;

- (e) the issue price will be \$0.28 per Share, being the same issue price as Shares issued to other participants in the Placement. The Company will not receive any other consideration for the issue of the Shares;
- (f) the funds raised will be used for the same purpose as all other funds raised under the Placement being to fund exploration activities across the Company's Mallina Gold Project, with a priority of work associated with determining the scale of the Hemi deposit, regional exploration drilling within the Scooby to Antwerp Trend, which includes the Hemi deposit, as well as for ongoing administration and corporate costs;
- (g) the Shares to be issued under the Participation are not intended to remunerate or incentivise the Director;
- (h) the Shares are not being issued under an agreement; and
- (i) a voting exclusion statements is included in Resolution 3 of the Notice.

## **5. RESOLUTION 4 – REPLACEMENT OF CONSTITUTION**

### **5.1 General**

A company may modify or repeal its constitution or a provision of its constitution by special resolution of shareholders.

Resolution 4 is a special resolution which will enable the Company to repeal its existing Constitution and adopt a new constitution (**Proposed Constitution**) which is of the type required for a listed public company limited by shares updated to ensure it reflects the current provisions of the Corporations Act and Listing Rules.

This will incorporate amendments to the Corporations Act and Listing Rules since the current Constitution was adopted in November 2014.

The Directors believe that it is preferable in the circumstances to replace the existing Constitution with the Proposed Constitution rather than to amend a multitude of specific provisions.

The Proposed Constitution is broadly consistent with the provisions of the existing Constitution. Many of the proposed changes are administrative or minor in nature, such as expressly providing for statutory rights by mirroring these rights in provisions of the Proposed Constitution.

The Directors believe these amendments are not material nor will they have any significant impact on Shareholders. It is not practicable to list all of the changes to the Constitution in detail in this Explanatory Statement, however, a summary of the proposed material changes is set out below.

A copy of the Proposed Constitution is available for review by Shareholders at the Company's website [www.degreymining.com.au](http://www.degreymining.com.au) and at the office of the Company. A copy of the Proposed Constitution can also be sent to Shareholders upon request to the Company Secretary by sending an email to [admin@degreymining.com.au](mailto:admin@degreymining.com.au). Shareholders are invited to contact the Company if they have any queries or concerns.

### **5.2 Summary of material proposed changes**

#### **Restricted Securities (clause 2.12)**

The Proposed Constitution complies with the recent changes to Listing Rule 15.12 which took effect from 1 December 2019. As a result of these changes, ASX will require certain more significant holders of restricted securities and their controllers (such as related parties, promoters, substantial holders, service providers and their associates) to execute a formal escrow agreement in the form Appendix 9A, as is currently the case. However, for less significant holdings (such as non-related parties and non-promoters), ASX will permit the Company to issue restriction notices to holders of restricted securities in the form of the new Appendix 9C advising them of the restriction rather than requiring signed restriction agreements.

### **Partial (proportional) takeover provisions (new clause 36)**

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to section 648G of the Corporations Act, the Company has included in the Proposed Constitution a provision whereby a proportional takeover bid for Shares may only proceed after the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the Corporations Act.

This clause of the Proposed Constitution will cease to have effect on the third anniversary of the date of the adoption of last renewal of the clause.

#### Information required by section 648G of the Corporations Act

##### *Effect of proposed proportional takeover provisions*

Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a resolution to approve the proportional off-market bid is passed.

##### *Reasons for proportional takeover provisions*

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.

##### *Knowledge of any acquisition proposals*

As at the date of this Notice of Meeting, other than as proposed for Resolution 2, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

##### *Potential advantages and disadvantages of proportional takeover provisions*

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover provisions for Shareholders include:

- (a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (b) assisting in preventing Shareholders from being locked in as a minority;
- (c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and
- (d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the proportional takeover provisions for Shareholders include:

- (a) proportional takeover bids may be discouraged;
- (b) lost opportunity to sell a portion of their Shares at a premium; and
- (c) the likelihood of a proportional takeover bid succeeding may be reduced.

#### *Recommendation of the Board*

The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Proposed Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of Resolution 4.

## **6. RESOLUTION 5 – INCREASE IN TOTAL AGGREGATE REMUNERATION FOR NON-EXECUTIVE DIRECTORS**

### **6.1 General**

Directors' fees include all fees payable by the entity or any of its child entities to a non-executive director for acting as a director of the entity or any of its child entities (including attending and participating in any board committee meetings), superannuation contributions for the benefit of a non-executive director and any fees which a non-executive director agrees to sacrifice for other benefits. It does not include reimbursement of genuine out of pocket expenses, genuine "special exertion" fees paid in accordance with an entity's constitution, or securities issued to a non-executive director under Listing Rules 10.11 or 10.14 with the approval of the holders of its ordinary securities.

Listing Rule 10.17 provides that an entity must not increase the total aggregate amount of directors' fees payable to all of its non-executive directors without the approval of holders of its ordinary securities.

Clauses 14.7 and 14.8 of the Constitution also provide that total aggregate remuneration payable to the non-executive Directors will not exceed the sum initially set by the Constitution and subsequently increased by ordinary resolution of Shareholders in a general meeting.

The maximum aggregate amount of fees payable to the non-executive Directors is currently set at \$250,000.

Resolution 5 seeks Shareholder approval for the purposes of clause 14.8 of the Constitution and Listing Rule 10.17 to increase the total aggregate amount of fees payable to non-executive Directors to \$700,000.

The maximum aggregate amount of fees proposed to be paid to non-executive Directors per annum has been determined after reviewing similar companies of a similar market capitalisation listed on ASX, together with the level of Company activity. The Directors believe that this level of remuneration is in line with corporate remuneration of similar companies. It also reflects recent changes to the Board composition where there has been an increase from two (2) to four (4) Non-Executive directors commensurate with a significant change in the level of Company activity.

## 6.2 Technical information required by Listing Rule 10.17

If Resolution 5 is passed, the maximum aggregate amount of fees payable to the non-executive Directors will increase by \$250,000 to \$700,000. Whilst it is not envisaged that the maximum amount sought will be utilised immediately, the increase to maximum aggregate amount of fees payable may enable the Company to:

- (a) fairly remunerate both existing and any new non-executive directors joining the Board;
- (b) remunerate its non-executive Directors appropriately for the expectations placed upon them both by the Company and the regulatory environment in which it operates; and
- (c) have the ability to attract and retain non-executive directors whose skills and qualifications are appropriate for a company of the size and nature of the Company.

If Resolution 5 is not passed, the maximum aggregate amount of fees payable to non-executive Directors will remain at \$250,000. This may inhibit the ability of the Company to remunerate, attract and retain appropriately skilled non-executive directors.

In the past 3 years, the Company has issued an aggregate of 500,000 Options and 1,250,000 Performance Rights to non-executive Directors pursuant to Listing Rules 10.11 and 10.14 as follows:

Date	Class	Details and Recipients
Issue – 21 December 2017 Appendix 3B – 22 December 2017	Performance Rights	Performance rights granted as compensation: (a) 750,000 Steven Morris (b) 500,000 Brett Lambert
Issue – 17 October 2018 Appendix 3B – 17 October 2018	Options	Options granted as compensation (exercise price of 30c each option and expiry of 30 May 2021): (a) 250,000 Steven Morris (b) 250,000 Brett Lambert
Issue – 24 November 2017 Appendix 3B – 27 November	Shares	Shares granted under participation in placement:

Date	Class	Details and Recipients
2017	Options	(a) 500,000 Steven Morris (b) 1,000,000 Davide Bosio  Options granted under participation in placement (free-attaching, exercise price of 10c each option and expiry of 30 November 2018): (a) 250,000 Steven Morris (b) 500,000 Davide Bosio

A voting exclusion statement is included in Resolution 5 of this Notice.

### 6.3 Board Recommendation

Given the interest of the non-executive Directors in this Resolution, the Board makes no recommendation to Shareholders regarding this Resolution.

## 7. RESOLUTION 6 – ISSUE OF PERFORMANCE RIGHTS TO RELATED PARTY – GLENN JARDINE

### 7.1 General

Mr Jardine commenced work on 4 May 2020 and was appointed as the Managing Director of the Company on 11 May 2020.

Under the terms of his employment agreement with the Company (**Employment Agreement**), as announced to the ASX on 20 March 2020, and subject to the receipt of Shareholder approval, the Company has agreed to issue Performance Rights to Glenn Jardine (or his nominee) pursuant to the Company's Performance Rights Plan and on the terms and conditions set out below.

Mr Jardine is entitled to receive such number of Performance Rights on an annual basis, as determined by the following formula:

$$A = B / C$$

Where:

**A** = The number of Performance Rights Mr Jardine is entitled to receive (on an annual basis).

**B** = \$100,000.

**C** = The VWAP over the last 10 trading days prior to the date of issue of the Performance Rights.

The Employment Agreement provides that the first tranche of Performance Rights is to be issued to Mr Jardine, on completion of his three month probation period ending 4 August 2020 and/or no later than 21 September 2020, subject to the receipt of Shareholder approval (**Tranche 1**).

The second tranche of Performance Rights will be issued on or about 15 September 2021 (**Tranche 2**) and the third tranche of Performance Rights on or about 15 September 2022 (**Tranche 3**). Following the issue of Tranche 3, the Company would be required to seek fresh Shareholder approval in order to issue further Performance Rights to Mr Jardine under the Employment Agreement.

The Performance Rights issued to Mr Jardine shall vest upon satisfaction of the following milestones:

- (a) the Company's Shares reaching a price equal to or greater than 120% of the VWAP for the 10 trading days prior to the date of issue of the Performance Rights, within the following period:
  - (i) Tranche 1 – from the date of issue to 15 September 2020;
  - (ii) Tranche 2 – from the date of issue to 15 September 2021; and
  - (iii) Tranche 3 – from the date of issue to 15 September 2022.
- (b) Mr Jardine remaining employed by the Company as Managing Director as at the date of satisfaction of the milestone in paragraph 7.1 (a).

The Performance Rights will otherwise be issued on the terms and conditions set out in Part A of Schedule 1.

The grant of the Performance Rights was agreed as part of Mr Jardine's remuneration package under the terms and conditions of the Employment Agreement. The material terms and conditions of Mr Jardine's employment agreement were included in the Company's announcement on 20 March 2020.

The Board has to balance the interests of Shareholders, while ensuring that the team working to achieve the outcomes sought are incentivised and rewarded for achieving the most significant value milestones for the Company. In this regard in so far as it relates to Mr Jardine, the Board has determined that these Performance Rights are linked to criteria relating to the performance of the Company and hurdles which the Board believes will deliver the most value to Shareholders at this juncture in the Company's growth. It also ensures that Mr Jardine has the opportunity to accumulate equity in the business which not only

ensures a better alignment with our Shareholders, but has a retentive benefit as well.

The Board considers the granting of the Performance Rights to be a cost-effective reward for the Company to make to appropriately incentivise the continued performance of Mr Jardine and is consistent with the strategic goals and targets of the Company.

The Performance Rights will be issued under the Company's existing employee incentive scheme titled "Incentive Performance Rights Plan" (**Performance Rights Plan**) but will not be issued in reliance of ASIC Class Order 14/1000 Employee incentive schemes: Listed bodies. No disclosure document is required to be issued to the recipients of the Performance Rights as the offer is exempt under section 708(12) of the Corporations Act.

## **7.2 Chapter 2E of the Corporations Act and Listing Rule 10.14**

A summary of Chapter 2E of the Corporations Act is set out in Section 4.2 above.

The grant of the Performance Rights constitutes giving a financial benefit and Mr Jardine is a related party of the Company by virtue of being a Director.

In addition, Listing Rule 10.14 also requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities under an employee incentive scheme to a director of the entity, an associate of the director, or a person whose relationship with the entity, director or associate of the director is, in ASX's opinion, such that approval should be obtained.

It is the view of the Directors (other than Mr Jardine due to his material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required because the grant of the Performance Rights, reached as part of the remuneration package for Mr Jardine, is considered to be reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

## **7.3 Technical information required by Listing Rule 14.1A**

If Resolution 6 is passed, the Company will be able to proceed with the issue of the Performance Rights to Mr Jardine within three years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Performance Rights (because approval is being obtained under Listing Rule 10.14), the issue of the Performance Rights will not use up any of the Company's 15% annual placement capacity.

If Resolution 6 is not passed, the Company will not be able to proceed with the issue of the Performance Rights to Mr Jardine. In such circumstances, the Company would also be in breach of its obligations under the Employment Agreement.

## **7.4 Technical Information required by ASX Listing Rule 10.15**

Pursuant to and in accordance with Listing Rule 10.15, the following information is provided in relation to Resolution 6:

- (a) the total number of Performance Rights to be issued to Mr Glenn Jardine (or his nominee/s) will be determined in accordance with the formula set out in Section 7.1 above. As Mr Jardine is a Director, the Company is

required to seek Shareholder approval for the issue of the Performance Rights pursuant to Listing Rule 10.14.1;

- (b) the Performance Rights will be issued on the terms and conditions set out in Part A of Schedule 1. Any Shares issued on conversion of the Performance Rights will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (c) Mr Jardine's current total remuneration package is \$512,500, comprising his Directors' salary of \$362,500 (inclusive of superannuation), a short term incentive cash bonus of up to \$50,000 (on achievement of key performance indicators which are still to be agreed by the Board) and, subject to the passing of this Resolution, the issue of Performance Rights (on the terms and conditions set out in Part A of Schedule 1) to the value of \$100,000 (on an annual basis);
- (d) no securities have been previously issued to Mr Jardine under the Performance Rights Plan;
- (e) the grant of the Performance Rights was agreed as part of Mr Jardine's remuneration package under the terms and conditions of his Employment Agreement;
- (f) the Board has to balance the interests of Shareholders, while ensuring that the team working to achieve the outcomes sought are incentivised and rewarded for achieving the most significant value milestones for the Company. In this regard in so far as it relates to Mr Jardine, the Board has determined that these Performance Rights are linked to criteria relating to the performance of the Company and hurdles which the Board believes will deliver the most value to Shareholders at this juncture in the Company's growth. It also ensures that Mr Jardine has the opportunity to accumulate equity in the business which not only ensures a better alignment with our Shareholders, but has a retentive benefit as well;
- (g) a valuation of the Performance Rights is included in Schedule 2;
- (h) the Performance Rights will be issued on an annual basis, as detailed in Section 7.1 above. The latest date that a Performance Right may be issued is 3 years after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules);
- (i) the Performance Rights are being issued for nil issue price;
- (j) a summary of the material terms of the Performance Rights Plan is set out in Part B of Schedule 1;
- (k) no loan is being made to Mr Jardine in connection with the issue;
- (l) details of any securities issued under the Performance Rights Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14;
- (m) any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of Performance Rights under the Performance Rights Plan after Resolution 6 is approved and who were

not named in this Notice will not participate until approval is obtained under Listing Rule 10.14; and

- (n) and a voting exclusion statement is included in Resolution 6 of the Notice.

## **8. RESOLUTIONS 7 – 11 – APPROVAL OF ISSUE OF ZERO EXERCISE PRICE OPTIONS TO DIRECTORS**

### **8.1 General**

The Company has agreed, subject to obtaining Shareholder approval, to issue up to an aggregate of \$414,000 worth of zero exercise price Options (**Zero Exercise Price Options**) to be calculated based on a 10 day VWAP immediately prior to the Shareholder Meeting to be held to approve the issue to the following Directors of the Company (together, the **Related Parties**):

- (a) pursuant to Resolution 7, \$150,000 worth of Zero Exercise Price Options to Andrew Beckwith (or his nominee) to be calculated based on a 10 day VWAP immediately prior to the Shareholder Meeting to be held to approve the issue;
- (b) pursuant to Resolution 8, \$120,000 of Zero Exercise Price Options to Simon Lill (or his nominee) to be calculated based on a 10 day VWAP immediately prior to the Shareholder Meeting to be held to approve the issue;
- (c) pursuant to Resolution 9, \$48,000 of Zero Exercise Price Options to Eduard Eshuys (or his nominee) to be calculated based on a 10 day VWAP immediately prior to the Shareholder Meeting to be held to approve the issue;
- (d) pursuant to Resolution 10, \$48,000 of Zero Exercise Price Options to Bruce Parncutt (or his nominee) to be calculated based on a 10 day VWAP immediately prior to the Shareholder Meeting to be held to approve the issue; and
- (e) pursuant to Resolution 11, \$48,000 of Zero Exercise Price Options to Peter Hood (or his nominee) to be calculated based on a 10 day VWAP immediately prior to the Shareholder Meeting to be held to approve the issue,

and otherwise on the terms and conditions set out in Part A of Schedule 3.

The Zero Price Exercise Options will be issued under the Company's existing employee incentive scheme titled "Employee Option Plan" (**Option Plan**) but will not be issued in reliance of ASIC Class Order 14/1000 Employee incentive schemes: Listed bodies. No disclosure document is required to be issued to the recipients of the Zero Price Exercise Options as the offer is exempt under section 708(12) of the Corporations Act.

Resolutions 7 to 11 seeks Shareholder approval for the issue of the Zero Exercise Price Options.

### **8.2 Rationale behind the issue**

There is consensus amongst the Board that additional work performed by the Company's Non-Executive Directors has been substantial and beyond the normal duties expected for a typical Non-Executive Director. Boards set annual

fees within the Shareholder approved cap on the basis it is business as usual. However, it is recognised there may from time to time be considerable additional demands on directors. Where considerable and additional time and effort is required by the directors of a company in response to particular corporate events, and this commitment can be reasonably considered to be extraordinary i.e. going beyond what is usual, regular or customary, then in such an event, it would appropriate that the directors be entitled to additional remuneration. In so far as it relates to the Company, the additional time (and significant additional meetings) relate to:

- (a) a series of capital raisings during the course of the year, the details of which are summarised below:

Placement and Rights Issue @ \$0.05 per share, including issue of shares to finalise the acquisition of Indee Gold Pty Ltd acquisition	\$25.00M	July/August 2019
Placement @ \$0.045 per share	\$5.00M	November 2019
Exercise of DGO options	\$4.75M	March 2020
Placement @ \$0.28 per share	\$31.2M	April 2020
Total raised during FY 19/20	\$69.95M	

- (b) to date, 11 formal and minuted Board meetings during the course of 2019/2020, attended by all Board members. In addition to these meetings, the full Board has been involved in numerous informal strategic discussions during this period;
- (c) the comprehensive selection process for the appointment of new Managing Director, Glenn Jardine, in which all Non-Executive Directors and the Chairman were involved;
- (d) increased Board engagement and consideration regarding the Company's strategic direction and priorities following the Company's recent Hemi discovery; and
- (e) the onset of the COVID-19 pandemic and its impact on the Company's operations. During this period, additional Board engagement has been imperative to enable operations to continue whilst seeking to mitigate risks associated with safety and security of our employees and contractors.

Further, with respect to the proposed issue of Zero Exercise Price Options to Messrs Lill and Beckwith, the Company notes that the Board approved the issue of 5,500,000 options exercisable at \$0.35 by 12 March 2022 to various staff members as a "discovery bonus" to recognise the significance of the Hemi discovery to the Company. Neither Mr Lill nor Mr Beckwith were able to participate in this issue without prior shareholder approval. In addition, Messrs Lill and Beckwith were not awarded a pay rise during the year whilst the Board, in benchmarking their salaries, recognised they were underpaid relative to similarly sized companies in the marketplace.

The proposed issue of the Zero Exercise Price Options to Messrs Lill and Beckwith are in part to reward them for the Hemi discovery, together with their exertion during the year.

### **8.3 Chapter 2E of the Corporations Act**

A summary of Chapter 2E of the Corporations Act is set out in Section 4.2 above.

The issue of Zero Exercise Price Options to the Related Parties constitutes giving a financial benefit and each of the Related Parties is a related party of the Company by virtue of being a Director.

As the Zero Exercise Price Options are proposed to be issued to all of the Directors other than Glenn Jardine, the Directors are unable to form a quorum to consider whether one of the exceptions set out in sections 210 to 216 of the Corporations Act applies to the issue of the Zero Exercise Price Options. Accordingly, Shareholder approval for the issue of Zero Exercise Price Options to the Related Parties is sought in accordance with Chapter 2E of the Corporations Act.

### **8.4 Listing Rule 10.14**

Listing Rule 10.14 requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities under an employee incentive scheme to a director of the entity, an associate of the director, or a person whose relationship with the entity, director or associate of the director is, in ASX's opinion, such that approval should be obtained.

As the issue of the Zero Exercise Price Options is being made under the Option Plan, it therefore requires the approval of Shareholders under Listing Rule 10.14.

### **8.5 Technical information required by Listing Rule 14.1A**

If Resolutions 7 to 11 are passed, the Company will be able to proceed with the issue of the Zero Exercise Price Options to the Related Parties within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Zero Exercise Price Options (because approval is being obtained under Listing Rule 10.14), the issue of the Zero Exercise Price Options will not use up any of the Company's 15% annual placement capacity.

If Resolutions 7 to 11 are not passed, the Company will not be able to proceed with the issue of the Zero Exercise Price Options.

### **8.6 Technical Information required by Listing Rule 10.15 and section 219 of the Corporations Act**

Pursuant to and in accordance with Listing Rule 10.15 and section 219 of the Corporations Act, the following information is provided in relation to Resolutions 7 to 11:

- (a) the Zero Exercise Price Options will be issued to the Related Parties, as detailed in Section 8.1 above. Each of the Related Parties falls within the category set out in Listing Rule 10.14.1 by virtue of being a Director;
- (b) the maximum number of Zero Exercise Price Options to be issued to the Related Parties (being the nature of the financial benefit proposed to be given) is detailed in Section 8.1 above;

- (u) Glenn Jardine recommends that Shareholders vote in favour of Resolutions 7 to 11 for the reasons set out in Sections 8.6 (h), (i) and (j) above. In forming his recommendation, Glenn Jardine considered the effort of the Related Parties during the 12 month period which has resulted in a substantial increase in share market value and shareholder wealth, together with the current market price of Shares and the current market standards and practices when determining the number of Zero Exercise Price Options to be issued to each of the Related Parties;

## SCHEDULE 2 – VALUATION OF PERFORMANCE RIGHTS- MR. GLENN JARDINE

The Performance Rights to be issued pursuant to Resolution 6 have been valued using the Monte Carlo Simulation method on the basis of the below key assumptions.

For the purposes of our valuation, we have assumed the performance/vesting period commences as at the valuation date of 22 May 2020. In deriving the 10-day VWAP barrier, a Monte Carlo simulation was used to simulate the VWAP from 22 May 2020 to 15 September 2021 for the Tranche 2 Rights, and 22 May 2020 to 15 September 2022 for the Tranche 3 Rights.

Volatility	110%	110%	110%
Risk-free rate	0.26%	0.25%	0.25%
Dividend yield	Nil	Nil	Nil

Valuation per Instrument	\$0.312	\$0.333	\$0.354
Valuation per Tranche	\$100,000	\$100,000	\$100,000

\*We note that the share price barrier is assessed over a period of 1 year from 15 September 2021 to 15 September 2022. However, given that our valuation date is 22 May 2020, the measurement date is 15 September 2022 and the Rights cannot vest until the measurement date, the vesting period of the Rights is 2.32 years. The performance of the Company's share price between grant date and 15 September 2021 impacts the barrier price and therefore the valuation, therefore we consider the measurement period of the Rights to be 2.32 years.

\*\*We note that the share price barrier is assessed over a period of 1 year from 15 September 2022 to 15 September 2023. However, given that our valuation date is 22 May 2020, the measurement date is 15 September 2023 and the Rights cannot vest until the measurement date, the vesting period of the Rights is 3.32 years. The performance of the Company's share price between grant date and 15 September 2022 impacts the barrier price and therefore the valuation, therefore we consider the measurement period of the Rights to be 3.32 years.

The Performance Rights were ascribed the following value:
