Completion of Bookbuild for Fully Underwritten \$300 million Placement

Highlights

- Firm commitments received for a fully underwritten two tranche Placement of approximately 285.7 million shares at a price of \$1.05 per share to raise \$300 million (before costs)
- Placement pricing represents a 5.8% discount to the last closing share price and a 12.0% discount to the 5-day VWAP
- Placement bookbuild saw strong demand from leading global investor groups both domestically and offshore, providing endorsement of the outcomes of the Definitive Feasibility Study for the Hemi Gold Project and the Company's growth plan
- Major shareholder Gold Road has provided a firm commitment for 59,675,554 New Shares under the Placement to increase its De Grey shareholding to 19.9%¹
- Proceeds from the Placement², together with existing cash, to be applied to:
 - Finalising detailed engineering, updating the Project execution plan, refine the contracting strategy, advance major Project tenders and progress the approvals processes
 - Ordering of long-lead major equipment items ahead of planned construction activities
 - Early works (where approvals allow) undertaken ahead of FID
 - Continued exploration drilling at Hemi Gold Project - Greater Hemi and Regional areas
 - General working capital purposes and costs of the Placement
- The Placement² will provide significant balance sheet strength and flexibility to progress activities to support the Project execution schedule
- Proceeds from the Placement² will enable De Grey to maintain momentum of Project advancement towards production whilst de-risking future development
- Completion of the Project financing process targeted for mid-2024 ahead of FID
- In addition, Directors have subscribed for an aggregate of 619,055 New Shares at the Placement price, subject to shareholder approval, which would raise an additional \$0.6 million

¹ Assuming no convertible securities convert, shareholder approval is obtained for Tranche 2 and prior to any further issues of De Grey securities, including the proposed issue to Directors.

² Subject to shareholder approval for Tranche 2.

De Grey Mining Limited (ASX: DEG, “De Grey” or “Company”) is pleased to advise that the Company has received firm commitments for a fully underwritten two tranche placement of approximately 285.7 million new fully paid ordinary shares (“New Shares”) at a price of \$1.05 per New Share to raise \$300 million (before costs) (“Placement”)

The Placement issue price represents a 5.8% discount to the closing price of \$1.115 on Wednesday, 27 September 2023 and a 12.0% discount to the 5-day VWAP of \$1.193 on Wednesday, 27 September 2023.

The Placement was strongly supported, with high levels of institutional participation that included leading global investor groups both domestically and offshore.

Gold Road Resources Limited (“**Gold Road**”), a major shareholder of the Company, has provided a firm commitment for subscribing for:

- 49,438,097 New Shares under Tranche 1 of the Placement; and
- 10,237,457 New Shares under Tranche 2 of the Placement (being 19.9% of Tranche 2).²

Proceeds from the Placement (subject to shareholder approval for Tranche 2), together with existing cash, will be applied to:

- finalising detailed engineering, updating the Hemi Gold Project (“**Hemi**” or “**Project**”) execution plan, refine the contracting strategy, advance major project tenders and progress the approvals processes;
- ordering of long-lead major equipment items ahead of planned construction activities;
- early works (where approvals allow) undertaken ahead of Final Investment Decision (“**FID**”);
- continued exploration drilling across both the Greater Hemi and regional areas; and
- general working capital purposes and costs of the Placement.

The Placement will provide the Company with significant balance sheet strength and flexibility to progress activities to support the Project execution schedule.

For more information on Hemi and the Definitive Feasibility Study (“**DFS**”), refer to the ASX announcement and investor presentation released on Thursday, 28 September 2023.

Placement Details

The Placement comprises the issue of approximately 285.7 million New Shares at an offer price of \$1.05 to raise total proceeds of \$300 million (before costs). The Placement is fully underwritten and will take place in two tranches:

- Tranche 1 to raise approximately \$246.0 million via the issue of 234,269,778 New Shares utilising the Company’s placement capacity under ASX Listing Rule 7.1 (“**Tranche 1**”); and

Forward looking statements disclaimer

This announcement as prepared by De Grey Mining Limited (the "**Company**" or "**DEG**") includes forward looking statements. Often, but not always, forward looking statements can generally be identified by the use of forward looking words such as "may", "will", "expect", "intend", "plan", "estimate", "anticipate", "continue", and "guidance", or other similar words and may include, without limitation, statements regarding dates, plans, strategies and objectives of management, anticipated production or construction commencement dates and expected costs or production outputs.

Forward looking statements inherently involve known and unknown risks, uncertainties and other factors that may cause the Company's actual results, performance and achievements to differ materially from any future results, performance or achievements. Relevant factors may include, but are not limited to, changes in commodity prices, foreign exchange fluctuations and general economic conditions, increased costs and demand for production inputs, the speculative nature of exploration and project development, including the risks of obtaining

necessary shareholder approval(s), licenses and permits and diminishing quantities or grades of reserves, political and social risks, changes to the regulatory framework within which the Company operates or may in the future operate, environmental conditions including extreme weather conditions, recruitment and retention of personnel, industrial relations issues and litigation.

Forward looking statements are based on the Company and its management's good faith assumptions relating to the financial, market, regulatory and other relevant environments that will exist and affect the Company's business and operations in the future. The Company does not give any assurance that the assumptions on which forward looking statements are based will prove to be correct, or that the Company's business or operations will not be affected in any material manner by these or other factors not foreseen or foreseeable by the Company or management or beyond the Company's control.

Although the Company attempts and has attempted to identify factors that would cause actual actions, events or results to differ materially from those disclosed in forward looking statements, there may be other factors that could cause actual results, performance, achievements or events not to be as anticipated, estimated or intended, and many events are beyond the reasonable control of the Company. Accordingly, readers are cautioned not to place undue reliance on forward looking statements. Forward looking statements in these materials speak only at the date of issue. Subject to any continuing obligations under applicable law or any relevant securities exchange listing rules, in providing this information the Company does not undertake any obligation to publicly update or revise any of the forward looking statements or to advise of any change in events, conditions or circumstances on which any such statement is based.
